Dedication

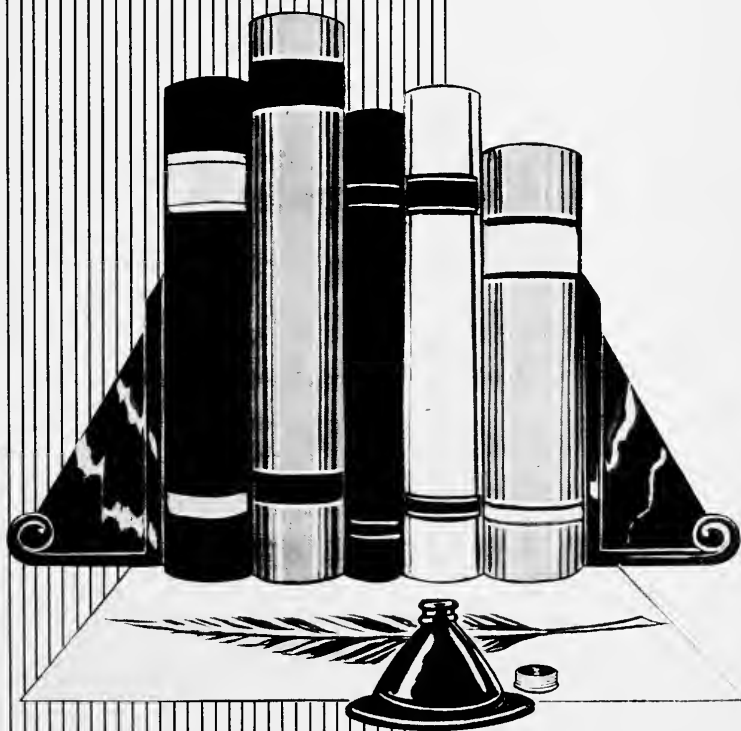

To the one who has worked with us so faithfully through our high school years to make them happy ones, we sincerely dedicate the 1952 edition of the "BEACON" to Mr. Ernest Ray, one who is esteemed and respected by students, co-workers, and the community.

Recognition

It is a great pleasure for the Seniors of 1952 to give special recognition to the DADS' CLUB who have worked hard toward the improvement of our school.

Class Will

On this, the first day of April in the year of our Lord Nineteen Hundred and Fifty-Two, we, the Senior Class of Everman High School, being of sound mind and having been examined for sincerity by Dr. N. O. Northing, do hereby will and bequeath the following to members of future graduating classes:

Geneva Owen wills her desires to be a good homemaker to Zonita Easter with the following suggestion, "Whatever ye sew, ye shall also rip." Also, she wills to Shirley Nowell her award for citizenship.

Jean Duke bequeaths to Barbara Tomlinson her love to work Quadratic Equations with this thought, "It may not help you get a man, but it's loads of fun."

Orien Knight wills his ability to stay up late and go to sleep in class to Billy Cook with this comment, "It doesn't always make A's," and also, to Hal Vaughn, he wills his enormous appetite with this suggestion, "When you sit down to eat your dinner, eat your fill or you'll get thinner."

Joe Bean passes on to Harold Langley his ability to win girl friends and influence teachers.

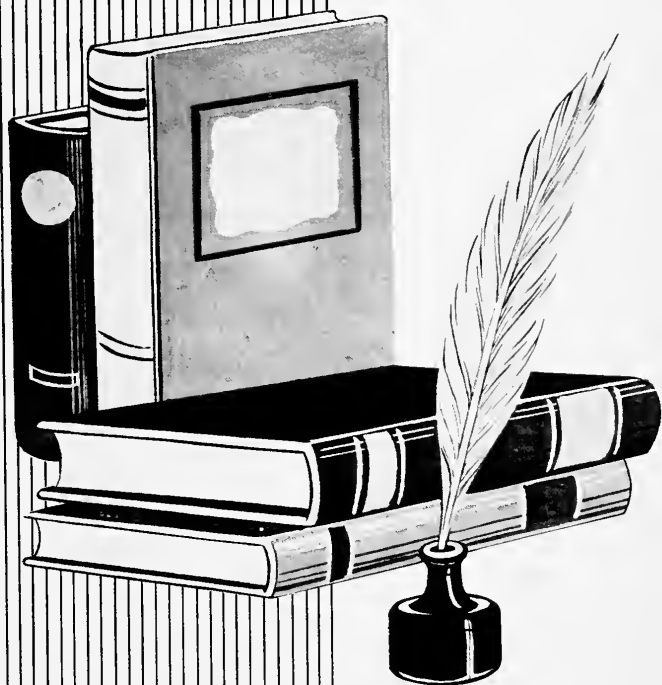

Eugene Carroll leaves his ability to memorize the dictionary to Roger Stephenson with this thought, "Girls can be won with big words."

Eugene Watts will his ability to keep quiet to Shirley Wall with this epitaph, "Be careful what you say on the grounds that it might incriminate you."

Corky Arnold hands over his ability to be a great detective to Gerald Bauer with this explanation, "It will help you find the right answers for American History."

Delbert Taylor wills his "burr" to Lonnie Glenn with this afterthought, "It's not how much is on the outside, it's the contents that count." And to Richard Almand, he wills his 4-H Club leadership and his attraction to cows.

Sports Editorial

The 1951-52 Basketball Teams, under the leadership of a great coach, started training for the basketball year on September 10, 1951.

The squad started off the season with a "bang". The first of their opponents was Burleson which beat them by two points after a long hard struggle from both teams.

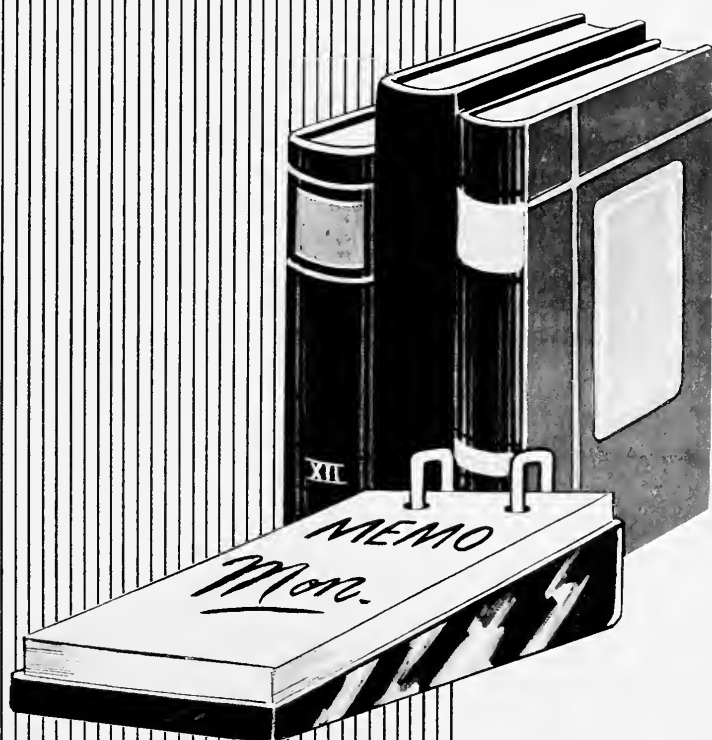

The squad kept advancing in great spirits and great playing. The flu epidemic then raged in our community and caused most of the players to become ill and thus get out of shape, even though with great determination they regained their good status and ended the season by winning first place trophy in a tournament at Boys Ranch.

The last words of this years basketball team, even though they were losing three lettermen is for next years team to beat Burleson. Much thanks to a great coach and a great team for their efforts for this year.

... A POLE, WIRES and a TRANSFORMER
Symbols of Your Modern Electric Service

• A pole like this, a transformer and a set of wires like these deliver electric service to your home. They bring you the comforts, convenience and all-around better living that electric service makes possible.

Yet this pole and wires are only a small part of the network of electric wires that bring power into your home from our six large steam-electric generating stations. Behind your electric service is the combined efforts of nearly 2,000 skilled men and women. They work around the clock to keep your electricity always ready — always on the job for you. Good electric service doesn't "just happen."
